

## PHOTOGRAPHY SERVICES

### Slideshow for Parties / Funerals / Weddings

*Produced onto DVD with simple menu and music of your choice*

The cost of photos to be scanned is included when choosing Slideshow production.

| Number of Photos                | Price   |
|---------------------------------|---------|
| Slideshow of 125 photos or more | \$80    |
| Cost of USB                     | \$25.00 |

We can use your digital files from a USB or SD card when producing the slideshow.

When you enquire please have your song/s choice ready.
